Dear Travis,

It was great to hear from Lisa that "MORNINGSTONE" may still be a "go" for this spring. As I told her, I am available for the March start date and based on our preliminary discussion of the proposed changes in the shooting schedule, I agree that we should still be able to deliver on time and on budget. Please keep me informed of any additional changes to the "MORNINGSTONE" production schedule. I know I am speaking not only for myself, but for my entire team, when I say how much I look forward to working with you on this wonderful film.

Sincerely,
